Acceptable for Disposal:

- Unused or expired (RX) (including opioids), or over-the-counter pills, tablets, capsules
- Ointments, creams, lotions, powders
- Liquid medicines - no more than 4 oz. (liquids must be in their original containers and sealed in a plastic bag before placing in MedSafe)

Unacceptable for Disposal:

- Aerosol Spray Cans
- Alcohol or Hydrogen Peroxide
- No Illegal Drugs
- Needles, Syringes, or Sharp Containers, Medical Devices
- More than 4 oz. of liquid
- Trash
- Mercury Thermometers, Batteries, Chemicals

Products should be left in the packaging the medication was dispensed in, or loose pills can be placed in a zip-top bag. Medsafe is only available for use when pharmacy is open. If locked, please return during pharmacy hours. Medsafe can only accept unused medications from patients or patients' caregivers. Inventory from a pharmacy or other healthcare facility is **NOT** acceptable.

What are the benefits?

- Keeps our water clean
- Reduces the availability and access to prescription drugs that can attribute to overdoses
- Helps keep medications out of reach from children and pets
- Helps increase proper disposal for the community of Grady County
- Free and anonymous
