The Regional Prevention Coordinator Offers FREE Services to the Community

The Regional Prevention Coordinator (RPC) located at Red Rock Behavioral Health Services in Clinton, OK would like to remind the community of our services and what support the RPC can provide. The Red Rock RPC is one of 17 Regional Prevention Coordinators in the State of Oklahoma. Our primary focus is to serve as a community resource. Red Rock RPC educates and informs communities through multiple strategies including community based services, environmental strategies, early recognition, and referral. Red Rock RPC provides services to a nine county area which includes: Beckham, Blaine, Caddo, Custer, Dewey, Greer, Kiowa, Roger Mills, and Washita counties.

Red Rock RPC takes a proactive approach in reducing substance abuse among communities, specifically underage drinking and the non-medical use and abuse of prescription drugs. They identify factors in a community that cause the risk of substance abuse and work to promote protective factors that serve to minimize the risk of substance use/abuse.

The RPC is funded through the Oklahoma Department of Mental Health and Substance Abuse Services. For more information on services please contact Red Rock RPC at (580)323-9736 or visit the RPC website at www.redrockrpc.com.
