

2018

Did you know?

- Prescription drug overdoses kill more Oklahomans than motor vehicle crashes.
- More overdose deaths involve prescription painkillers than alcohol and all illicit drugs combined.

Remember:

- Only take medications as prescribed.
- Never share or sell prescription drugs.
- Properly dispose of unused, unneeded or expired medications.
- Secure your medications to avoid theft.

Source: Injury Prevention Service

Reminder!

There will not be a Community Data Workgroup meeting during the month of January. Our next meeting will be February 27th @ 11:00 a.m. at the Tuttle Admin. Building.
