SPF-SIG Coalition Spotlight

The SPF-SIG Canadian County Coalition focuses on preventing the misuse and abuse of nonmedical prescription medication. We have seen positive outcomes with increased numbers in pounds of prescription medications that have been properly disposed in the local drop boxes. We currently have four different drop box locations in Canadian County. The SPF-SIG Coalition meets once a month at the Red Rock Behavioral Health Services in El Reno to continue to raise community awareness. If you would like more information or if you are interested in being a part of the SPF-SIG process please contact Julia Cochran, SPF-SIG Coordinator at (405)-354-1928 or juliac@red-rock.com.

Prescription Drugs in the 21st Century

In a recent Opioid Webinar viewed by the SPF staff, it was learned that 7 million people currently use Rx drugs non-medically. Every day in the US, an estimated 2,000 teenagers use prescription drugs without a doctor's guidance for the first time. According to the CDC, prescription Opioid Abuse can be a first step toward heroin use.

What everyone can do:

Keep Rx medications out of harm's way!
