

Red Rock RPC June 2018

A Look at Red Rock RPC

The Regional Prevention Coordinator (RPC) located at Red Rock Behavioral Health Services in Clinton, OK would like the community to be aware of our services and what support the RPC can provide. Our primary focus is to serve as a community resource. Red Rock RPC educates and informs communities through multiple strategies including community based services, environmental strategies, early recognition, and referral. Red Rock RPC provides services to a nine county area which includes: Beckham, Blaine, Caddo, Custer, Dewey, Greer, Kiowa, Roger-Mills, and Washita counties.

Red Rock RPC takes a proactive approach in reducing substance abuse among communities, specifically the non-medical use of prescription drugs and underage drinking. They identify factors in a community that cause the risk of substance abuse and work to promote protective factors that serve to minimize the risk of substance use/abuse.

The RPC's Mission is to:

Encourage individual responsibility, positive behavior, and personal growth

Strengthen families and communities

Promote a drug-free society through education, training, prevention, research, advocacy, and environmental strategies

The idea is to equip communities, organizations, law enforcement, schools, and other community members so that they may have an impact on solving local problems and setting local norms.

For more information on services please contact Red Rock RPC at (580)323-9783 or visit the RPC website at www.redrockrpc.com.
