

Red Rock PFS October 2018

Red Rock PFS would like to inform you that October is CADCA's (Community Anti-Drug Coalitions of America) National Medicine Abuse Awareness Month (NMAAM). At one point or another, we've all used prescription drugs or over-the-counter (OTC) medicines to alleviate an illness, whether it's to relieve pain or curb a cough. Unfortunately, too many young people and adults are abusing these drugs.

Next to marijuana, the most common used drug, teens are using are prescription medications. Learn more at preventRXabuse.org.

There are many ways to get involved in National Medicine Abuse Awareness Month. For activities and more resources, please visit www.preventmedabuse.org.

OCTOBER COMMUNITY DATES!

- ♦ October 17th-Grady County Coalition, Noon, Canadian Valley Technology Center in Chickasha
- ♦ TBD-Community Data Workgroup Meeting

Remember to keep your medications stored and locked as trick or treat month is here!

Children may mistake medications for candy!
