April 2019

National Take Back Day

National Take Back Day is April 27, 2019. Take Back Day is a safe, convenient, and responsible way to dispose of unused or expired prescription drugs. We encourage our community members to dispose of these prescription medications in the MedSafe Receptacle or Oklahoma Bureau of Narcotics drop box at any of the pharmacies or police departments listed below. These receptacles are available for community members to utilize year-round to keep their homes safe for family and friends.

The receptacle is made of stainless steel, bolted to the floor, and locked. Community members can dispose of prescription medicine during the pharmacies' hours of operation. These receptacles are in addition to receptacles at law enforcement agencies that are open 24/7. Items not accepted in the receptacles are: **aerosol spray cans, alcohol or hydrogen peroxide, no illegal drugs, needles and syringes or sharp containers and medical devices, more than four ounces of liquid, trash and mercury thermometers, batteries and chemicals.**

Below is a list of pharmacies who have a MedSafe Receptacle:

1. **Cedar Springs Pharmacy:** 5310 E. Highway 37, Tuttle, OK 73089
2. **Chickasha Clinic Pharmacy :**2224 W. Iowa, Chickasha, OK 73018
3. **Grand Care Pharmacy:** 2103 W. Iowa Chickasha, OK 73018
4. **Liberty Drug Pharmacy:** 315 W. Chickasha Ave., Chickasha, OK 73018
5. **Tuttle Police Department::** 4 SE 2nd St. Tuttle, OK 73089
