A free Responsible Beverage Service and Sales Training is coming to town near you. Join Red Rock RPC, ABLE Commission, and Chickasha Elks Lodge on Monday, June 3<sup>rd</sup>, 2019 at 10:00 am. The training will be held at 1818 W. Country Club Rd in Chickasha, Oklahoma at the Chickasha Elks Lodge. Red Rock RPC provides this training at no cost to attendees and is the only regional prevention coordinators in Canadian and Grady county. Anyone who is interested in this training is encouraged to attend.

Responsible Beverage Service and Sales Training provides clerks, servers, and managers with the knowledge and skills to sell and serve alcoholic beverages safely, responsibly, and legally. The goal of the training is to ensure that expectations, liabilities, and legal responsibilities are communicated to all licensees and their employees. With the sales of alcohol, comes great responsibility. Red Rock RPC believes that knowledge is power and we want to help our community understand laws, policies, and regulations that are put into place to keep our community safe and responsible.

Red Rock RPC would like to stress that this training is open to the public. This is a great opportunity for those who are looking to get into the service industry to be prepared with all legal expectations and to view trends that are leading to underage sales. This is also great for any veteran server to be informed on new alcohol laws and ways that alcohol has shifted over time. For any questions or inquiries, please contact Sarah Keeth the Regional Prevention Coordinator with Red Rock RPC at [skeeth@red-rock.com](mailto:skeeth@red-rock.com) or 405-761-1146
