

Red Rock

PFS July 2019

As we enter a new fiscal year, Red Rock BHS is pleased to introduce two new community outreach grants that were awarded to do work in Grady County.

One of the grants is the (SOR) grant, which stands for the State Opioid Response Grant and the other is the STR grant, which stands for the State Targeted Response Grant. These grants will work on community outreach by working on referrals to treatment and referrals to receive Naloxone, provide educational trainings, and also disseminate media messages to all target populations.

The populations of focus will be Healthcare Practitioners, youth, older adults, and also the Veteran Community.

I am very excited to start work on both of these grants and get trainings underway. Please contact me, Jenna Cansler: 422-8874, with any ideas of how we can reach these populations or if you would like to share good contacts. I would appreciate it and look forward to working with all of you!

Grady County Meetings

- * July 30th, CDW Meeting @ 9 a.m. at the CVTech in Chickasha

3 easy steps to safeguarding your medications during holiday celebrations

1. Monitor-Be aware of the quantities of prescription medications that are currently in your home
2. Secure-Take your medications to a place only you know about and lock them up
3. Dispose-Safely dispose of unused medications at a local dropbox site near you
