

The background of the entire page is a close-up photograph of an American flag draped over a dark, textured wooden surface. The stars and stripes of the flag are clearly visible, and the wood grain adds a natural, rustic feel to the design.

Red Rock RPC July 2019

#didyouknow

Red Rock BHS locations in Clinton and Elk City offer FREE naloxone. Naloxone is a medication that will rapidly reverse the effects of an opioid overdose. It will quickly restore normal respiration and is simple to administer as a nasal spray. If you would like more information on free naloxone availability or a naloxone education training for your business or agency, please contact the Regional Prevention Coordinator at 580-323-9736.

Red Rock Regional Prevention Coordinator Region 12 is funded by the Department of Mental Health and Substance Abuse Services.

Join us in welcoming
